

It is our sincere belief that denial of the instant request will mean that no local radio service will ever again come to Marianna. Mr. Shieffler believes that if given sufficient time he can locate a buyer who will promptly return the station to the air.

If further information is required please contact the undersigned.

Assignment Application

Dear Mr. Secretary;

The above captioned Consent to Involuntary Assignment was issued on May 22, 1989. The Consent was conditioned on consummation of the assignment and resumption of broadcasting 60 days thereafter. The trustee in bankruptcy duly consummated the assignment on July 20, 1989 and has diligently attempted to find a buyer during the intervening period. He has advertised in trade magazines and been regularly dealing with brokers and potential buyers. While he believes he has located a qualified and serious ultimate licensee the original grace period has passed and the details may not be finalized for some weeks. Accordingly, on behalf of the licensee Trustee in Bankruptcy it is hereby requested that the stations authorization to remain dark be extended to December 31, 1989.

This extension is clearly in the public interest. The trustee is making every effort to find a permanent licensee and thus return to operation the only broadcast station serving Marianna, Arkansas.

If further information is required please contact the undersigned.

Re: KZOT-AM, Marianna, Ark.  
Renewal application

Attn: Barbara Kreisman

Dear Ms. Kreisman:

You have requested that additional information be submitted in response to question 7 on the renewal application relating to RF radiation. All of the radiation associated with the station either above ground or at ground level would emanate from a tower located in a remote area not likely to be visited by the public. There are no paved roads within more than a mile and the public would have no reason to visit the area. The tower is marked with an appropriate warning sign.

The licensee apologizes for the delay in responding. The station previous licensee has gone into bankruptcy. Since it is currently dark there has been no danger of radiation since the information was requested.

If further information is desired please contact the undersigned.

### FILING INSTRUCTIONS

Broadcast station licensees are required to afford equal opportunity to all qualified persons and to refrain from discriminating in employment and related benefits on the basis of race, color, national origin, and sex. See Section 73.2080 of the Commission's Rules. Pursuant to these requirements, a license renewal applicant who employs five or more full-time station employees must file a report of its activities to ensure equal employment opportunity for women and minority groups (that is, Blacks not of Hispanic origin, Asians or Pacific Islanders, American Indians or Alaskan Natives, and Hispanics). If minority group representation in the available labor force is less than five percent (in the aggregate), equal employment opportunity (EEO) program information for minority group members need not be filed. However, EEO program information must be filed for women since they comprise a significant percentage of virtually all area labor forces. If an applicant employs fewer than five full-time employees, no equal employment opportunity activity information need be filed.

A copy of this report must be kept in the station's public file. These actions are required to obtain license renewal. Failure to meet these requirements may result in license renewal being delayed or denied. These requirements are contained in Section 73.2080 of the FCC Rules (47 CFR 73.2080), and are authorized by the Communications Act of 1934, as amended.

☒ If your station employs fewer than five full-time employees, check the box at left, complete the certification below, return the form to the FCC, and place a copy in your station's public file. You do not have to complete the rest of the form.

**If your station employs five or more full-time employees, you must complete all of this form and follow all instructions.**

☐ If minority group representation in the available labor force is less than 5 percent (in the aggregate) and you choose not to file EEO program information for minority groups, check the box at left and complete the rest of this form with only the information for your program directed towards women.

NOTICE TO ASSIGNEE

Enclosed is FCC Form 732 notifying you of Commission consent to the assignment of the construction permit and/or license of the station(s) therein described. Voluntary assignments are required to be completed within sixty (60) days of the date granted.

In addition to the filing of the below mentioned FCC Form 323, you are required to immediately notify this office (8910), by letter, as to the exact date of the consummation; that is, the date on which the acts necessary to effect the assignment were completed.

Within thirty (30) days after the consummation of the assignment it will be necessary for you to submit an Ownership Report (FCC Form 323) reporting all changes as required by Section 73.3615 of the Rules. Where applicable, a separate Ownership Report should also be completed and submitted for any holding company (25% or greater ownership interest) of the licensee/permittee. Contractual information required by Section 73.3613 should be reported for the assignee in Item 6, page one of the Ownership Report and copies of each instrument should be submitted with the report. If this is an involuntary assignment that was the result of a death or court action, an Ownership Report must be filed to determine that all requirements of the Rules have been met and reported.

In the event the assignee is the licensee/permittee of another station and has a current Ownership Report on file, you may complete and file only page one of FCC Form 323 to reflect the acquisition of the station(s) listed above. FCC Form 323 is enclosed for your convenience in filing.

It is of the utmost importance that all Commission correspondence comes to the immediate attention of the permittee or licensee. Only one mailing address can be maintained for each station. Unless we hear from you to the contrary, the above address will be used as your permanent mailing address.

If the assignor has any applications pending before the Commission, these applications must be amended to reflect the name of the assignee. Upon consummation of the assignment, amendments to each application must be filed by the assignee, in triplicate, signed by the proper party (see Section 73.3513 of the Rules). Further processing of these applications will be withheld pending receipt of the amendment.

The licensee of KZOT is Rick and Michelle Albin. By order of the United States Bankruptcy Court for the Eastern District of Arkansas the assets of Mr. and Mrs. Albin have been placed in the hands of a Trustee in Bankruptcy, Daniel K. Schieffler. After investigation the Trustee discovered that FCC authorization is required. Accordingly this form 316 is being filed. The station went dark at the time of the bankruptcy. It is the intention of the Trustee to attempt to sell all of the debtor's assets, including the license for KZOT. If the Trustee decides to put the station back on the air while he is in control, the FCC will be notified. The Trustee understands that the license cannot be transferred to another party without prior FCC authorization.

CALL LETTERS KZOT-AM (Indicate AM or FM) TIME ZONE CENTRAL

This January 1985 RKO TWO Declaration Revision reduces the amount of mandatory commercial minutes per week that your station is responsible for airing. This reduction is from 136 minutes per week (100 minutes per week for a daytime station) to 134½ minutes per week (98½ minutes per week for a daytime station).

Mandatory commercials are those RKO TWO commercials that must be aired by your station, no matter what RKO TWO programs are aired or not aired by your station. These mandatory commercials are listed in the current RKO TWO Program & Commercial Declaration in the three sections entitled "Monday Through Friday," "Saturday" and "Sunday." For compensated stations, mandatory commercials are the only commercials that are subject to compensation.

This January 1985 Declaration Revision makes these two changes in the RKO TWO mandatory commercials:

- 1) Your station is no longer responsible for airing the commercial matter (30 seconds per weekday, 2½ minutes per week) formerly fed with Newsline at 11:25AM Eastern Time. This commercial is no longer a mandatory commercial, effective 12/31/84.
- 2) Your station is responsible for airing the commercial matter (60 seconds per week) now fed with the sportscast at 6:15AM (refed 8:15AM & 9:15AM), Eastern Time, on Saturday. This commercial becomes mandatory, effective 1/26/85.
